### In this issue:

Is my home ready to attract buyers?

Results from HSR Home Staging  
Resources Staging Statics 2015  
survey.

Preparing and Marketing homes for  
sale.

### Is my home ready to attract buyers?

Helpful information to see if your home is ready to attract buyers, weather you are a home owner or a realtor, you need to check this out:

<http://rydelinteriors.com/is-my-home-ready-to-attract-buyers/>

### HSR Home Staging Resources 2015 staging statics survey:

In the staging statics report, you will see proof that un-staged homes take longer to sell. What that means to the buyer is more money out of their pockets based on additional mortgage, taxes, and insurance, heating and ac....you get it.
